FOR RENT

Limassol, Kato Polemidia

180 m² Covered | 3 Bedrooms | 2 Bathrooms

Description

€2,800 /month

A detached house with 3 bedrooms is spacious enough for a small family or for someone who enjoys having extra space. The fact that it is close to amenities and has easy access to the highway and town center is a big plus, as it will allow you to easily access everything you need. The presence of Photovoltaic panels is also a great feature, as it will allow you to save on electricity costs and be more environmentally friendly. Air-conditioning and central heating will provide you with comfort during both summer and winter months, and the fact that the property comes fully furnished with electrical appliances is very convenient. Additionally, having good access to the private school district is important for families with children who are looking to provide their kids with quality education. All in all, this property seems like a great choice for anyone looking for a comfortable and convenient living space in Limassol.
