This spectacular residences offer beautiful living spaces facing the sea. Comprised of eight 2-bedroom apartments and five whole-floor 3-bedroom apartments with maid's quarters, this modern complex combines a contemporary architectural design aesthetic with understated elegance. Complimented beautifully by the landscape that surrounds it, this project surely exemplifies a luxury, boutique lifestyle by the water. Penthouse residents enjoy a spacious, private rooftop garden with barbecue and lounge facilities, providing the ultimate spot for friends and families to gather in comfort.
