Luxurious three-storey apartment building.

The project consists of six identical three bedroom apartments, an area of 120 sq.m and 30sq.m covered terraces each.

The ergonomic design and high manufacturing standards create a unique project that offers comfort and functionality.

The project is located in one of the beautiful residential areas of Paphos, a short distance from amenities and the city center.

Specifically, the apartments offer the following:

- Certificate of Energy Performance A
- Thermal and sound insulation
- LED lighting
