Set apart from the lower town and main tourist area, this historic old quarter offers a more laid-back vibe as well as several cultural attractions. Although it is just 2 miles (3 kilometers) from the main seafront tourist area, Paphos City Center, feels a world away. Take a stroll around this charming and laid-back part of town to see elegant, colonial-era constructions and the modern commercial center of town, which is the perfect antidote for people looking to escape the busier, livelier and more tourist-heavy district of Kato Paphos or Lower Paphos.Wander around the city center bars and traditional restaurants.
