Energy efficiency rating

 A

We proudly present the new residential development. Thoughtfully designed and meticulously planned, the complex comprises of seven apartments, including three 2-bedroom units, three 3-bedroom units and a luxurious rooftop penthouse.

With an incredible and unique design, covered by an aluminium skin, a “shell” is created around the building, shaping its ultimate aesthetics. While this protects each apartment from the sun without restricting the view from the inside, it provides an unparalleled sense of security and privacy.
