A world class 2 bedroom apartment with breathtaking sea view furnished by GIANFANCO FERRE that used contemporary creations with delicate colours, comfort and classic ,timeless designs.

An effortless elegance carries through to the Italian kitchen by Arclinea which has reconstructed granite worktops and integrated Miele appliances showcasing the enhanced specification throughout the apartment while the bathrooms and en suites have custom-made vanity cupboards, delicate mosaic tiling with Duravit fittings and Hansgrohe taps and mixers.

Inside, ARA Design International, has also used the sea as its inspiration. The company has overseen interiors of the lobby area,
