Energy efficiency rating

 B

This fully renovated 3-bedroom apartment is located on the 1st floor of a 4-storey building on Makariou Avenue, near Laniteio School. While the building is older and does not have an elevator, the apartment itself has been beautifully updated and includes a covered parking space.

The layout features a small entrance hall that leads to a bright living room and dining area, complete with a balcony. A separate, spacious kitchen with its own smaller balcony offers plenty of room for cooking and storage. The apartment also includes a large bathroom with a shower and three generously sized bedrooms.
