Energy efficiency rating

 B

This top-floor apartment offers stunning sea views and a prime location right across the beach. It features an open-plan living area, two bedrooms, and a bathroom with a bathtub. Recently refreshed with new paint, safety doors, and windows, it also comes fully furnished with brand-new furniture and electrical appliances.

While the building is older, the apartment is well-maintained and move-in ready. A dedicated parking space is included. Situated on the seafront road, just steps from shops, restaurants, and bus stops, this is a fantastic rental opportunity in a highly desirable coastal area.
