Energy efficiency rating

 A

A spacious and modern two-bedroom semi-basement apartment available in a quiet residential area of Ypsonas. Featuring a well-designed interior with contemporary finishes, this unfurnished property includes essential appliances such as a dishwasher, washing machine, fridge freezer, hob, oven, and extractor fan. Equipped with photovoltaic panels for energy efficiency, the building consists of only three units. Conveniently located near local schools, amenities, and with easy access to main roads. Private parking for two cars is offered. Pets are welcome. Please call to schedule a viewing.
