Sea-View Plot in Agios Tychon 961sqm

€800,000 +VAT

Agios Tychon, Limassol

Area

961 m²

Type	**Building Plot**
Title deed	**Yes**

Set against the backdrop of one of the most sought-after coastal settings, this expansive 961 m2 residential building plot in Agios Tychon offers an extraordinary canvas to bring your vision of custom Mediterranean living to life. Positioned to capture sweeping panoramic views of the sea and the glittering city skyline below, the land provides an inspiring setting for an impressive private residence.

With its generous proportions and elevated outlook, the plot allows for architectural creativity focused on bright, airy living, sun-drenched outdoor terraces, and private grounds designed to frame the horizon
