The beautiful and picturesque village of Apesia has emerged for centuries in the south of the Troodos mountain range, in the middle of the rivers Garyllis and Limnatis.

It is a semi-mountainous village of the Lemesos District, built on an altitude of 480 metres.

In Apesia, traditional elements coexist with the modern ones. On the one side there is a traditional housing with small stone built residences and on the other side there are new bigger residences spread west and southwest of the old housing. The land is 2915 m² and has a residential zone. The build factor is 20% and a height of 2 floors can be
