Plot For Sale In Ekali Limassol Cyprus

€1,500,000

 Ekali, Limassol

€2,000,000

Area

 3345 m²

This plot with 80% build density and 45% cover ratio up to 3 floors is an amazing property to build a complex of apartments or a complex of nice, modern detached houses. The area of Nea Ekali is one of the most beautiful areas at the time, with new houses and many investors that slowly slowly start to build complex with apartments. Very close to all amenities, schools, super markets, with very easy access to the highway and the center of the town. The plot also has clear title deed.

Type	Building Plot
Title deed	Yes
