Land for sale in Pachna, Limassol

€67,000

 Pachna, Limassol

Area

 1673 m²

Residential land available for sale in the charming village of Pachna. Ideally located close to the village centre and with easy access to main connecting roads, this plot offers a peaceful setting while remaining conveniently connected to nearby towns and amenities.

Spanning 1,673m², the land falls within a residential planning zone, making it a suitable option for those looking to invest or build a private home in a traditional Cypriot village environment. The plot allows for 30% building density and 20% coverage, with permission to construct up to 2 floors, offering flexibility for a well-designed residence.
