Two residential plots located in quiet area **€199,000** +VAT at Tala Paphos Cyprus

 Tala, Paphos

Area

 **1250 m²**

Two residential plots for sale in Tala, Paphos. These two plots have high density and bargain price. The village is located at an altitude of 280 metres approx above sea level and therefore offer beautiful sea views and less humidity. Tala offers spectacular views and you can find various plantations - vineyards, citrus trees (oranges and lemons), carob trees, olive trees, almond trees, wheat, vegetables and banana trees. There are several taverns with local and international cuisine as well as cafe and local pubs. A good Xpats community also to mix with or get friendly with locals as most of them talk other languages except Greek. A lovely and potential case to build your dream home.
