Agios Athanasios Villa, situated in a quiet residential neighbourhood just above the highway. The property is on a large triangular plot of 901sqm and is on three floors. On the ground floor, you will find a vast living space that takes up the whole width of the house. To the far left of this area, there is an extra room used as an office and also a guest WC. At the center of the room, there is a spiral staircase leading up to the next floor where the bedrooms are located. Alternatively, you could take the lift which connects all three floors for the convenience of moving between the levels. On the first floor, you will find all four bedrooms. The staircase leads you up to a space resembling an atrium where a huge chandelier is hanging from the
