Ideally located on a peaceful side road of the Resort, this three-bedroom superior villa redefines luxury from its marble floors to its designer crystal light fittings.

The property combines pure opulence with charismatic interior décor.

The living area of the villa, which is located on the ground floor, features a large sofa and the room is filled with natural daylight from the French doors which lead out onto the terrace.

The dining area is adjacent to the kitchen area and boasts a large wooden table with seating for eight people.
