Located in the popular area of Geroskipou in Paphos, this stunning villa project is close to local restaurants, bars and shops, and just a few minutes' drive away from conveniences such as supermarkets, international schools and the highway. There is a renowned blue flag beach just 3 minutes' drive from the project.

The project consists of 12 x three- and four-bedroom villas with complimentary designs, cleverly combining both traditional and modern architecture. All villas will benefit from an excellent sea view from the relaxing roof gardens, and have the option for swimming pool. The project is under design now and will be completed by end of October 2023.
