A CLASS ABOVE THE REST This is an outstanding property that has a lot of features to look at. The property has a luxurious garden that is well maintained. It is isolated from any discomforts from any sort of noises that might be coming from cars or people and yet it is close enough to most amenities like :bars, supermarkets, kiosks, restaurants and banks. Moreover, it is less than 10 minutes away from one of the greatest beaches in Cyprus (Coral bay). The specifications of the building are well thought out as it has hydro-isolation and many energy efficient equipment that make life much easier. The white goods are of top qualities and well maintained like the : fridge, washing machine, dishwasher etc. Lastly, the interior design is to 'die-for' as it was made
