This classic-style property is a two-story detached villa with a basement located at the side road level. It is situated in one of the most desirable areas of Paphos, offering panoramic views of the coastline, stretching from Paphos Airport to Akamas. The villa is surrounded by green spaces on all four sides, ensuring that no future construction will obstruct the stunning views.

The property features a large, landscaped mature garden taking over three levels, with paving and fruit trees surrounding the house. Upstairs, three small balconies are servicing the bedrooms, while a large main veranda provides access to the driveway. Additionally, there is a side veranda adjacent to the kitchen, which includes a purpose-built BBQ and stairs leading to the front of the house.
