Prime Residential Development Land for sale in Parekklesia

€1,200,000 ^{+VAT}

 Parekklesia, Limassol

Area

 **9161 m²**

Exceptional 9,161m² development land for sale in Parekklesia, offering 91% residential zoning (20% density) and a well-positioned 9% agricultural area. With the potential to build up to 1,600m² of covered areas (approx. 10-12 houses), this plot is ideal for a residential project.

Easily accessible via a public registered road, the land is surrounded by new house and road developments, ensuring excellent infrastructure. Located in a quiet area, just 1 minute from Parekklesia's main road and all amenities. Ideal for investors and developers!

Type	Development Land
Title deed	Yes
