#34603

Residential Field with Sea Views in Pegeia for sale

€485,000

Pegeia, Paphos

Area

3011 m²

Type	**Development Land**

A rare and strategic 3,011 m² residential holiday housing field in the Paphos district, offering breathtaking, unobstructed panoramic views of both the mountains and the sea. Beyond its serene natural setting and low-density charm, this asset carries exceptional upside potential, featuring a high probability of future building density increases—making it a premier play for forward-thinking investors and developers looking to maximize capital growth.
