|---|---|
| Type | **Development Land** |
| Title deed | **Yes** |

For sale in the peaceful and sought-after area of Pyrgos, this expansive development land covers 8,362 sq.m. and offers a 30% building density—an excellent opportunity for a residential or mixed-use project.

The plot enjoys a natural elevation difference of approximately 20 meters from the highest to the lowest point, forming a unique stair-like landscape that allows almost every area of the property to benefit from open, unobstructed views. Its gentle slope and shape make it ideal for
