The picturesque Trimiklini village is located approximately 27 kilometers northwest to the city of Limassol, on altitude of 570 meters, in the middle of the distance Lemesos – Troodos and its built in the largest valley in the middle of mountains in Cyprus, under Zalakas mountain. The village is built in a way that it is impossible not to have a panoramic look of it from one single point.

Right next to the Limassol – Troodos main road, there are traditional shops and selling points with local products, such as zivania, wine, souzioukos, fresh fruit from local farmers and more. The main occupation of the residents is agriculture, growing mostly fruit trees
