Development Plot for sale in Tsirio

€425,000 ^{+VAT}

 Tsirio, Limassol

Area

 543 m²

This 543sq.m. development plot in Tsirio offers excellent potential for residential or commercial use with a building density allowance of 100%, enabling up to 543sq.m. of covered areas across three floors. Located within walking distance of essential amenities and providing quick access to the highway, it presents a strategic location for a multi-unit residential project or mixed-use development. An ideal investment for those looking to build in a well-connected, high-demand area in Limassol.

Type	Development Land
Title deed	Yes
