FOR SALE

Paphos, Episcopi Paphou

2342 m² Area

Description

€60,000 +VAT

The property is a residential field located in the Episkopi community of the Paphos district.

This plot features an irregular shape and an inclined surface, providing a unique development opportunity.

It benefits from direct access to a public, registered road along its eastern boundary, with a frontage of approximately 45 meters.

Situated within the residential Town Planning Zone H2, the field allows for the construction of a two-storey building with a building density of 90%.

This zone makes it ideal for residential development, whether for constructing a single dwelling or for subdividing into plots.
