Description

€190,000

Residential field in Kouklia , Paphos District 1000sm

This plot of land has a special approval within its designated zone, allowing for a 20% build factor and a 15% coverage factor.

Kouklia, located in the Paphos District of Cyprus, is a picturesque village known for its historical significance and natural beauty. Residential fields in Kouklia often offer serene views of the surrounding countryside, with a blend of traditional Cypriot architecture and modern developments. These fields typically provide a peaceful, rural lifestyle while being in proximity to the stunning Mediterranean coastline and historical sites like the ancient city of Palaipafos. The area is ideal for those seeking a quiet, village atmosphere with access to Paphos' amenities and attractions.
