Agricultural Land 8,300m² with Sea View & Solar Panel Potential in Anarita

€98,000

Pafos, Paphos

Area

8300 m²

Type	**Field**
Title deed	**Yes**

Exceptional agricultural land for sale in Anarita, Paphos, covering 8,300m². Located north of the village center, it offers easy access via a registered public road and a secondary road on the western side. The plot features a rectangular shape with a mix of flat and slightly sloped terrain, providing stunning sea views to the south and neighboring solar panel parks to the north. Situated in Agricultural Zone Γ3, with 10% building density and 10% coverage, it is ideal for farming or investment in renewable energy. Possibility to apply for solar panel installation, making it an excellent eco-friendly investment
