Field

Title deed

Yes

This residential field is ideally positioned in a well-developed area that offers convenient access to a wide range of amenities and services, including schools, banks, supermarkets, and shops. Its location makes it particularly appealing for residential development, with increased demand driven by both accessibility and attractiveness.

The plot features an irregular shape and an inclined surface. It benefits from frontage along a public registered road on its northern boundary, though the frontage is limited to approximately 2 meters. Access is
