Residential Field in Psathi Community, in Paphos

€80,000

 Psathi, Paphos

Area

 2676 m²

A residential field in the village of Psathi, Paphos District. The property has an irregular shape with an inclined surface and enjoys road frontage along three boundaries, though one of the roads does not currently exist on site. It lies within residential planning zones H2 (71%) and H1 (29%), allowing the development of two-storey and three-storey buildings with building factors of 90% and 120% respectively. The property is suitable for either plot division or residential development.
