Steni, located in the Paphos district of Cyprus, offers agricultural land characterized by fertile soil, ideal for cultivating crops such as olives, citrus fruits, and grapes. The area is surrounded by scenic hills, lush greenery, and benefits from a Mediterranean climate with mild winters and hot summers, making it perfect for farming activities. Steni is also known for its peaceful, rural atmosphere, offering a serene environment for agricultural ventures or potential eco-tourism projects. Its proximity to Paphos adds convenience for transportation and
