Platres has been a wonderfully popular mountain resort since the British began enjoying the island of Cyprus in 1878. A favored bolt-hole for hikers and nature-lovers attracted by the lush and beautiful mountains, clean air and breathtaking views. In the summer the mountains are cooler, in the winter more precipitation occurs, achieving occasional snowfall and an opportunity to enjoy cozy fires.
The houses offer freshness in the summer as the temperature is being 10 degrees lower than on the coast side and in winter, when the temperatures hit below zero, your can enjoy cozy fireplace vibes.
