We are happy to present you this 180sqm, high security, ground floor office in Zakaki area. This office space is located very close to the port, My Mall and new casino resort. It has an internal area of 180sqm separated into two master offices, a conference room equipped with a projector, small kitchen, toilets separate for men and women and a big high security room with safeties inside. As you can see from the pictures there are furniture in the place and safeties that will stay inside. The safety room is locked with a big safe door and there are also safeties that need finger id for more safety.

The building is equipped also with alarm and camera system and has private parking for 2 cars.
