 Agios Ioannis, Limassol

Covered

 558 m²

Located in the heart of Limassol's town center, this spacious showroom is the perfect spot for displaying your merchandise to potential customers. The showroom boasts an impressive total area of 558 square meters, providing ample space for showcasing a wide range of products. Additionally, there is a mezzanine level of 230 square meters, which can be used for additional display space, storage or offices. One of the standout features of this showroom is the ample parking it provides for customers. With a minimum of 15 parking spaces available, you can rest assured that your customers will have no trouble finding a spot to park their cars. This convenience is especially valuable in a busy town center like Limassol. The showroom's spacious
